Africa Trade Fund (AfTra)

- a trade-related, technical assistance facility with the objective to accelerate the integration of RMCs and RECs in regional and global trading systems, to develop trade-related skills, regulatory regimes and infrastructure so as to enhance trade performance and competitiveness.
- Types of activities financed:
 - Dialogue and consensus building: ...national or regional meetings, conferences and workshops;
 - Knowledge, information building and dissemination;
 - Capacity development (through technical assistance)
 - Institutional capacity development (e.g including equipment to modernize customs or port clearing facilities...)

Four Pillars of the Africa Trade Fund (AfTra)

- 1) Improving trade facilitation in regional member countries and regional economic commission (40%): remove bottlenecks at borders, reducing wait-times, improving safety and security of trade and traders, streamlining border processes, modernizing customs etc;
- 2) Product and Marketing Development (30%);
- 3) Strengthening Country and Regional Trade-Related Institutions and Systems (15%) This pillar mainly relates to the provision of technical assistance to trade-related institutions;
- 4) Increasing the Bank's internal knowledge capacity (10%)

Africa Trade Fund (AfTra)
